The Party of Lincoln Is Full of Shit

O’ertaken by colonialist windbags,
vindictive religionists & thieves
   nearly as vile. So,kids die

       & get maimed
       in your name.
      Congratulations!

       You’ve dumped
      a heritage for
        God knows what.

      Boosting evils to
      come like sideshow
        elixirs.
